## DIRECTIVE 4911

Each facility is different. For specific information, contact the facility where you are sending the package. Generally speaking, incarcerated individuals may receive packages through the mail or at visits by anyone not on a negative correspondence or negative vendor list.

A package without a return address will not be delivered to the offender. For a complete understanding of packages, refer to Directive #4911, Packages & Articles Sent or brought to facilities.

At most correctional facilities, individuals are allowed three food packages per month, and the combined weight cannot exceed 40 pounds.

Additional packages containing non-food items, such as clothing and tobacco, may be received and will not be counted against the food package limit. Be advised that there are limits to the amount of personal property offenders may accumulate based on physical and/or programmatic considerations. There are also restrictions on color of clothing.

Exceptions to the above package rules exist for those in Special Housing Units (SHU), or on "loss of package" sanctions, "reception", or in "in-transit" status, Shock, drug treatment centers, CASAT, and work release centers. For example, no packages may be received at any time by anyone in SHU except books, periodicals, and legal materials.

For information about these special populations, please contact that specific facility.

Additionally, individuals located at "TV Facilities" may receive from family, friends or other personal sources only two food packages, including items ordered directly from approved vendors, per calendar year. These packages may contain only food items and may not exceed 20 pounds.

### THE FOLLOWING ARE CLASSIFIED AS "TV FACILITIES"

*ATTICA - ELMIRA - FIVE POINTS - SHAWANGUNK - SOUTHPORT CADRE - WENDE CLINTON - GREAT MEADOW - UPSTATE CADRE*

## SHIPPING POLICY

**UPON RECEIPT OF AN ONLINE ORDER, AN ACKNOWLEDGMENT EMAIL WILL BE DISPATCHED, SIGNALING THE INITIATION OF THE ORDER PROCESSING FOR SHIPMENT.**

To place an order with Sherrie Betty's, you can either call us or use our online platform. We conduct with a projected delivery period of 2-3 days to your designated facility. Please be aware that occasional delays may occur due to factors like product availability. **All orders placed between Thursday and no later than noon Eastern Time on Sunday will ship on Tuesday. Orders placed between Sunday and no later than 10 AM Eastern Time on Wednesday will ship on Thursday**

Adjustments may be necessary during holidays, inclement weather, or natural disasters. In such cases, shipping will resume on the next possible business day. Please note that external variables beyond our control, such as carrier bottlenecks and unforeseeable circumstances, may influence the final delivery timeline. **Once packages reach the facility, we are not responsible for any delays.**

If items are discontinued or out of stock, we'll replace them with alternatives of equal or superior value to fulfill your order. If a suitable substitute isn't available, we'll notify you to discuss alternatives or issue a credit.

Sherrie Betty's does not accept requests for back-ordered items. **Any change requests must be made within twelve hours of placing your order and must be done by phone to ensure timely processing.**

For cancellations or modifications, you can reach us at **475.339.1752** from Monday to Friday, 8:00 AM to 6:00 PM Eastern Time. After hours, you can leave a voicemail, and we'll get back to you within one business day.

Shipping charges are based on the cumulative weight of items in your order. We've approximated item weights to the nearest ounce or pound for easy calculation. For instance, 1 pound (1 lb.) is equivalent to 16 ounces.

Upon receipt of an online order, an acknowledgment email will be sent to the associated email address. If you don't receive a confirmation within twelve hours, please contact us by phone or email to ensure we've received your order. **Sherrie Betty's is not responsible for orders not correctly submitted, so it's the consumer's responsibility to confirm any order that doesn't receive a confirmation from us.**

# RETURN AND REFUND POLICY AT SHERRIE BETTY'S

In line with our commitment to delivering exceptional customer service, Sherrie Betty's offers a 10-day return policy. Any items returned within this 10-day period, eligible for a refund, will undergo inspection to ensure they are NEW, UNUSED, UNDAMAGED, or DEFECTIVE. We will process eligible returns within 10 days of receiving the items. It's important to note that Sherrie Betty's reserves the right to decline items that do not meet the eligibility criteria for return, and no credit will be issued for rejected items. Upon completion of the refund process, you will receive notification via email or postal mail regarding the acceptance or denial of your items.

Returned items are subject to a 30% restocking fee, which will be deducted from the refund amount.

Refunds will be processed either via a paper check (if the original payment was made with an institutional check) or credited back to the credit card used for the initial purchase. Returns received after the 15-day period will not be accepted and will not be issued merchandise credit.

Please note that perishable items such as food are not eligible for refunds.

Inmates may receive a maximum of two packages per month containing food items as outlined in Attachment A of Directive #4911. The combined weight of these packages should not exceed 40 pounds. This limit applies to food packages received from both visitors and through the mail.

**Inmate items that are not accepted by the facility for the following reasons will not be eligible for a refund or exchange:**

- 1.Loss of package room privileges by the inmate.
- 2.Placement of the inmate in keep lock.
- 3.The inmate exceeding the allowable package limit (40 pounds per month).
- 4.Transfer of the inmate to another facility.
- 5.The inmate refusing a package.

**Additionally, package privileges may be restricted based on the following criteria:**

1. Privileges of inmates in Special Housing SHU units, as restricted and limited by Directive #4933.
- 2.Inmates in reception/classification facilities will not be allowed to receive packages for 30 days from the date of reception.
- 3.Inmates will not be allowed to receive packages while in transit.
- 4.Inmates in Shock Incarceration, Drug treatment, CASAT, or work release programs will not be allowed to receive packages.

While all of our perishable food items are hermetically sealed in accordance with Directive #4911, some facilities may have varying acceptance standards for certain packaged food items, particularly meats. It is the responsibility of the customer to contact the facility to determine acceptable items if there is uncertainty about whether an item will be accepted. If you are unsure about how an item is packaged or sealed, please contact us before placing your order, and we will provide clarification. We do not offer refunds for perishable food items (Hermetically Sealed Meats).

Please refer to Directive #4911 or contact the facility before placing your order to ensure that your order meets specific weight, packaging, and shipping requirements.

All returned non-food merchandise must be shipped directly from the correctional facility and must include the original purchase receipt with the returned items listed, as well as form #1755 "Non Food Package Record." All items must be in the same condition as when they were received, meaning they must be NEW, UNUSED, UNDAMAGED, or DEFECTIVE and in their original packaging. Please note that we do not accept merchandise returns from family members or third parties.

Orders returned to Sherrie Betty's due to acceptance limitations or weight errors are not eligible for cash refunds. We strongly advise contacting the facility before placing your order if you are unsure about package receiving limitations and accurately calculating the weight of items.

Certain items, such as special orders or sale items, are NOT eligible for return or refund. Prior to making a special order request or purchasing items that have been marked down for sale, please check with the facility.

Items ordered through our mail-in catalog may take longer to process depending on mail delivery times. To exchange an item ordered through our mail-in order form, please include the item, the original purchase receipt, and a detailed note explaining the reason for exchange or return, along with the new item you would like to have delivered.

Please note that return shipping charges are non-refundable, and the responsibility for returns and exchange shipping costs lies with the sender. We are not responsible for return shipping costs. If a refund is approved, the cost of shipping will be deducted from the refunded amount. We recommend using tracking for all returns to ensure they are delivered correctly.

## SHERRIEBETTYS CURBSIDE PICKUP & DELIVERY WITH AND IN

# Walmart

SHERRIEBETTYS CURBSIDE PICKUP & DELIVERY WITH AND IN WALMART

*A SERVICE OFFERED BY THE SHERRIEBETTYS.*

### HOW IT WORKS:

**Step 1:** Purchase our service for a flat rate of \$78.00 USD, plus a shipping charge of \$25.00. You can pay using Credit/Debit, CashApp, Zelle, or through our "Pay in 4" partners (Afterpay, Klarna, Sezzle, and Affirm). The total cost for the service and shipping is \$100.00 USD, unless you choose expedited next-day shipping, which has varying rates with FedEx and UPS. Expedited shipping is only available for orders placed between 10 AM and 6 PM, Monday to Friday.

**Orders placed on weekends (Saturday or Sunday) will be processed on the next business day (Monday).**

We accept EBT payments for this service. If you have any questions, please call us or email [shipping@sherriebettys.com](mailto:shipping@sherriebettys.com).

**Step 2:** After purchasing the service, click the link to Walmart.com in your email or visit [www.walmart.com](http://www.walmart.com) to start shopping for your order.

- We recommend creating an account with Walmart.com. This will let you track your order, save payment methods, and make changes to your order.
- At the top left corner of your screen, under the Walmart logo, click the drop-down menu and choose one of the three delivery options: (PICKUP).
- Select store location: 315 Foxen Boulevard, New Haven, Connecticut 06513. This is the only location we will pick up from.
- Select Reserve Time: You can choose a pickup time between 10 AM and 6 PM, Monday to Friday, on the day you place your order. For orders placed Monday through Thursday, expedited (next-day) shipping is available for an additional fee.

**Step 3.** You can now start shopping for your order. Please remember to keep track of the weight of the items you buy, as Walmart doesn't track this for you. Sherriebettys is not responsible for any overweight purchases you make. It's up to you to monitor your order with Walmart from start to finish.

**This is your Walmart account, and Sherriebettys will not have any access to your account details or information.**

**Step 4.** After reviewing your order, complete your checkout. You will pay Walmart directly using the payment method of your choice. If you have an existing account, your saved payment methods will be available. If you're setting up a new account, Walmart will ask you to enter your preferred payment method.

- Go to your shopping cart and follow the prompts to enter your billing information: Your first and last name, with your Sherriebettys order number in parentheses (e.g., John Doe [Order#1234]). Then, enter your billing address. Important: Make sure to include the Sherriebettys order number you received when you purchased this service from Sherriebettys.
- Select your payment type (any payment available that WARMART offers)
- Place Your Order
- Once your order is complete, WARMART will send you a confirmation email that your order was received, Pick-UP time, and Pickup Location.

**Step 5.** Please forward this email to [shipping@sherriebettys.com](mailto:shipping@sherriebettys.com) and include the best phone number to reach you. You'll receive a confirmation of your Walmart purchase and our scheduled pickup timeline.

**Step 6.** Once Sherriebettys picks up your order, Walmart will send you a confirmation. We will ship your order within 24-48 hours of receiving it, unless you purchased expedited service. After we have your order, it will go through the following stages: Awaiting Shipping, Awaiting Pickup, and Shipped. You will receive email notifications at each stage. Once shipped, you will get tracking information through UPS or FedEx, and you can track your order and see who signed for it upon delivery.

Sherriebettys provides a service that includes picking up and shipping orders directly to the correctional facility listed. We are not responsible for any mistakes made by you or Walmart Curbside Pickup. If there are any errors in your order, please contact Walmart customer service to resolve the issue. You can find their contact information in their app or in your confirmation email. If you have any questions or concerns about our process, feel free to call us during business hours (10 AM - 6 PM, Monday to Friday) at 475-339-1752. Please note, we are closed on weekends and federal holidays.

**Pickup Times: Monday to Friday only**, during your selected pickup window. **Expedited shipping is available for an additional cost, but you must schedule pickup no later than 11 AM** for next-day shipping.

**Please note, there is no Saturday delivery, as facilities will not accept orders on Saturdays.**

**At Sherriebettys, we take care of all pickup and shipping. Please don't worry about managing these logistics yourself. If you've paid for the service, your order will be picked up as planned. If there's a problem or if we need to check something with you, we'll give you a call. If you don't hear from us, everything is going smoothly. Thank you for choosing Team Sherriebettys!**
